10 training that is directly related to the course(s) they teach, or a combination thereof beyond the
11 requirements for their license is considered to have satisfied the Education factor provided such

3 their planning or PLC period, when a substitute teacher is not provided, is compensated as

8 for half of a class period are credited with 0.5 periods covered.

18 (double for two (2) classes, triple for three (3) classes, and so on).
- 19 C. The deposits into the Section 403(b) accounts shall be deposited within fifteen (15) days

24 academic year.
- 25 D. For informational purposes, a calendar workday minus lunch and prep/PLC is equal to two and
26 one half (2½) blocks in a high school on block schedule.

28 planning and PLC periods on the same day.

30 the ratification of this Agreement.
- 31
32
33

34 **ARTICLE IV**
35 **LEAVES**

36
37 **Section 1. Annual Sick Leave**

38 Each full-time teacher employed under regular or temporary contract is entitled to a leave of absence
39 of twelve (12) days per academic year from work without loss of compensation if such teacher is
40 unable to teach because of temporary disability due to illness or quarantine or pregnancy, medical or
41 dental appointments; and can use these twelve (12) days for illness of the teacher's spouse, child,
42 parents, or any regular member of the teacher's household.

43

44 A teacher who is employed to provide services under a supplemental contract for four (4) weeks or
45 more will receive one (1) additional sick leave day.

46

1 A teacher employed under contract for only a portion of the academic year is entitled to a
2 proportionate number of sick leave days on the following basis:

3
4
5

Number of Duty Days Employed

Day of Employment	Days Allowed
1 – 25	12
25 – 50	11
51 – 75	10
76 – 100	9
101 – 125	8
126 – 150	7
151 - Last Day	6

6

7 **Section 2. Accumulated Sick Leave**

8 If in any one (1) academic year a teacher is absent less than the number of days set out immediately
9 preceding, the remaining unused sick days of that academic year will accumulate up to a maximum of
10 one hundred eighty-three (183) days.

11

12 A teacher employed under contract for only a portion of the academic year may accumulate unused
13 sick days to a maximum of one hundred eighty-three (183) days.

14

15 If a teacher has maintained the maximum allowable number of Accumulated Sick Leave days and has
16 unused days at the end of the academic year, the Board will buy back, at the rate of one hundred
17 dollars (\$100.00) per day, up to a maximum of twelve (12) unused sick days and up to three (3) unused
18 Personal Business Leave days annually. The compensation for these days shall be deposited into each
19 individual teacher's Section 401(a) account. The value of these days at the time of deposit will not be
20 discounted in any manner, including the Medicare and Social Security taxes ("FICA") that would have
21 been payable if the value of this benefit had been paid directly to the teacher. Such deposit will be
22 made prior to June 30.

23

24 **Section 3. Accumulated Sick Leave Bonus**

25 At the close of any academic year in which a teacher uses neither Personal Business Leave nor Sick
26 days, the teacher shall have three (3) days prorated added to his/her Accumulated Sick Leave days up
27 to the maximum of one hundred eighty-three (183). These days shall be over and above any Sick leave
28 or Personal Business Leave days that a teacher has earned during that academic year. This paragraph
29 does not apply to teachers who have reached and maintain the maximum allowable number of
30 Accumulated Sick Leave days.

31

32 **Section 4. Personal Business Leave**

33 Each teacher employed on a Regular Teacher Contract will be entitled to three (3) days absence per
34 academic year of employment prorated without loss of pay for the transaction of personal business
35 and/or the conduct of personal or civic affairs. Personal Business Leave shall not require the employee

1 to provide a reason, but 24-hour notice on the designated form is required for such leave. It is
2 encouraged that teachers submit the form at least two (2) days prior to the leave day. The notice
3 requirement may be waived by the Office of Human Resources in exceptional circumstances. Such
4 Personal Business Leave days may be taken in fractional units. Personal Business Leave requests that
5 meet the notice requirement will be granted unless:

- 6 1. More than ten percent (10%) of the staff request the same day and substitute coverage is not
7 available, or
- 8 2. Approval would compromise the safe and effective operation of the school.

9
10 If in any one (1) academic year of employment a teacher shall be absent on Personal Business Leave
11 for fewer than three (3) days, the remaining day(s) shall be accumulative to a total of eight (8) days.
12 Accumulated Personal Business Leave shall not be used by a teacher for participation in a job action or
13 to engage in other employment. Personal Business Leave days accumulated beyond eight (8) days will
14 be transferred to the Accumulated Sick Leave days subject to the limits provided for in this
15 Agreement. Use of accumulated Personal Business Leave days is subject to the terms of the paragraph
16 above. Failure to follow the guidelines will result in unpaid leave.

17 **Section 5. Sick Leave Bank**

18 The Evansville Vanderburgh School Corporation will establish a voluntary Sick Leave Bank (Bank).
19 The Bank days may be used only for the illness of the Bank member.

20 **A. Purpose**

- 21 1. The purpose of the Sick Leave Bank is to provide a means of obtaining additional sick
22 leave days to avoid loss of compensation and bridge the gap to the employee's return to
23 work due to a maternity leave, catastrophic illness or injury of the sick leave bank member
24 that requires their continuous absence from work.

25
26
27 Maternity leave is limited to the period of incapacitation due to birth. This would be six (6)
28 weeks for natural delivery or eight (8) weeks for C-section delivery. If the employee is
29 eligible and requests the full twelve (12) weeks of FMLA, the remaining four (4) to six (6)
30 weeks would be unpaid. If ineligible for FMLA, the maternity leave would be limited to the
31 six (6) to eight (8) weeks of incapacitation.

32
33 Catastrophic illness or injury is defined as a life-threatening condition or combination of
34 conditions affecting the mental or physical health of the employee, and includes, but is not
35 limited to, the following: lengthy hospitalizations, necessary surgery requiring a lengthy
36 recovery, or an ongoing treatment regimen requiring frequent time off work. The
37 catastrophic illness or injury must require the continued services of a health provider. This
38 benefit is available to eligible, voluntarily participating teachers who have legitimately
39 exhausted all of their accumulated sick, personal, and (if applicable) vacation leave.

40 **B. Contributions**

- 41 1. A teacher may voluntarily donate one (1) day of Accumulated Sick Leave to the Bank. At
42 the Bank's inception, the Board will contribute a one-time match of one-half (1/2) day per
43 teacher day contributed to the Bank. This contribution will entitle Bank members to
44 withdraw benefits as listed below. All days donated to the Bank lose their identity as
45 individual leave days. If a Bank member should leave the corporation, days donated by said
46 member shall not be transferred to another corporation.

2. After the initial contribution of one (1) day, the members will be asked for an additional one (1) day contribution only when the accumulation of days in the Bank falls below five hundred (500) days. If a member refuses to contribute a day as requested by the Bank Committee, said teacher would cease to be a member of the Bank. However, in the event a current member of the Bank has no accumulated leave days to contribute, he/she may retain membership until September 1 of the next academic year. At that time, said teacher will reimburse the Bank the appropriate number of days from his/her new allotment.
3. A Bank member who has received Bank days must remain a Bank member until all granted Bank days are repaid to the Bank. The repayment will be at a rate of two (2) days per academic year. Upon retirement, any outstanding balance will be deducted prior to a buyout of Accumulated Sick and Personal Business Leave days.

New teacher vesting requirement - All newly hired teachers who voluntarily choose to participate in the Sick Leave Bank must complete ninety (90) days in paid status before he/she shall be eligible to apply for Sick Leave Bank days.

4. All teachers new to the Bank may access a maximum of forty (40) days for the remainder of the initial academic year. Beginning with the teacher's second year of participation in the Bank, a teacher who has used zero (0) Bank days the first year as a member, will start the second year with one hundred eighty (180) days. If the member used Sick Leave Bank days his or her first year of participation, the member will, at the start of the second year, have access to the remainder of the one hundred eighty (180) days. A teacher who becomes a Bank member after the first year as an EVSC employee must pay all past assessments since employment to become a member of the Bank.
5. Annual enrollment in the Bank must be completed by 4:00 p.m. on August 31 for membership to commence September 1.
6. There will be no withdrawals of days from the Bank except through the process listed in this document.

C. Granting of Days

A member of the Bank may be granted days from the Bank under the following conditions:

1. The teacher's Accumulated Sick Leave and Personal Business Leave days must be exhausted and the teacher must have been out of school for a period of five (5) consecutive attendance days without salary of any kind. Upon approval, salary shall return starting with the sixth day.
2. Written application by a Bank member or his/her family, accompanied by a physician's certificate verifying the nature, length of disability, treatment plan, and prognosis of the Bank member's condition must be submitted to the EVSC Office of Human Resources. Application shall be made within thirty (30) school days prior to the expiration of all leave. The committee may waive the thirty (30) day period in emergency situations.
3. Up to one hundred eighty (180) days may be taken over a two (2) year period. This period starts the first day the teacher receives Sick Leave Bank benefits. At the end of this two (2) year benefit timeline, or at the end of the one hundred eighty (180) day maximum leave, whichever comes first, a moratorium of one (1) year exists on access to Bank benefits. Following the one (1) year moratorium, members will be eligible for another one hundred eighty (180) days. The committee may require re-certification for continuation of benefits (up to one hundred eighty (180) days) as needed.

1 The Board will administer the Bank. A Bank Committee to approve or deny the requests for benefits
2 will be established. The committee will be composed of three (3) representatives appointed by the
3 Board and three (3) representatives appointed by the Association. Applications will be acted upon by a
4 majority of the Bank Committee. All decisions of the Bank Committee are final.

5
6 In the event a majority of the committee cannot reach a decision, the decision will be submitted to the
7 Board to render a final decision. If Bank benefits are granted to the applicant, but the decision is not
8 made by the end of the five (5) day exclusionary period, benefits will be retroactive to the sixth (6th)
9 day. If no decision is made within twenty (20) days of the loss of salary and benefits, the applicant will
10 receive Bank benefits until a decision is rendered. If Bank benefits are not granted to the applicant,
11 benefits cease upon notification.

12
13 D. Criteria for Sick Leave Bank Consideration

- 14 1. Catastrophic accident of the employee requiring continuous absence from work.
- 15 2. Catastrophic illness of the employee.
- 16 3. Extended hospitalization of the employee.
- 17 4. Maternity leave requests shall be limited to six (6) to eight (8) weeks to cover the period of
18 incapacitation
 - 19 • Six (6) weeks for natural delivery
 - 20 • Eight (8) weeks for C-section
 - 21 • Complication arising from a pregnancy would fall under a regular sick leave bank
22 request.

23 If a teacher is not able to return to employment after the use of all Accumulated Sick Leave days,
24 Personal Business Leave days, vacation days (if applicable), and the total Sick Leave Bank days
25 granted, or if they have exhausted all available medical leave (whichever occurs first) will be asked to
26 resign or, if eligible, retire.

27
28 Upon any teacher's return to full-time assigned duty, any entitlement to Accumulated Sick Leave,
29 Personal Business Leave, vacation, holidays and/or any other similar benefits shall be reduced on
30 prorated basis. No additional leaves of absence will be granted to any teacher during the period when
31 Sick Leave Bank days are being utilized.

32
33 Section 6. Presidents Leave

34 The Association and the Board agree that the Association president shall be released full-time from
35 his/her duties to fulfill certain obligations as president of the Association. The replacement for the
36 president will be hired on regular contract with all the benefits defined in this Agreement. The
37 Association shall reimburse the Board for the cost of the Association president's released time by
38 paying a share, equal to one-half (½) the released time, of the salary, other money expenses related to
39 employment of the Association president as a teacher, fringe benefits, and co-curricular stipends. The
40 Board shall pay, in full, all ECA stipends for services rendered while serving as president. Further, the
41 ETA shall pay, in full, all ECA stipends if the ETA decides to pay the ECA stipends for services
42 rendered by the president at the time of his/her election. In all of the above cases, the total expenses
43 shall be included in the salary reported to Indiana Public Retirement System.

44
45 Upon return from the leave provided for in this section, the Board will allow the teacher the option to
46 return to his/her original school. In the event such position no longer exists, the teacher will be
47 assigned to a comparable teaching position or assignment.

1 **Section 7. Professional Meetings and Workshops**

2 The Board may grant to teachers a leave of absence without loss of compensation to attend
3 professional association conventions such as, but not limited to, the National Council of Mathematics
4 Teachers, the International Reading Association, professional meetings relating to educational
5 workshops, seminars, or conferences sponsored by industry, professional associations, colleges,
6 universities, or governmental agencies concerned with public school matters.
7

8 The building level computer coordinator may be granted professional leave for up to four (4) days for
9 the purpose of staff development, expanding technology services, and facilitator training. These days
10 will be assigned in cooperation with the building principal.
11

12 **Section 8. Sabbatical Leave**

13 The purposes of a sabbatical leave are to provide an opportunity for the career teacher to meet the ever-
14 increasing need for excellence in teaching, to adapt to a constantly changing profession, and to
15 increase his/her professionalism. A sabbatical leave for study may be granted when, in the considered
16 judgment of the Board of School Trustees, the professional competence of the applicant and the
17 general welfare of the students of the Evansville Vanderburgh School Corporation will be benefited.
18 Such study must be directed toward the completion of either an approved Specialist or Doctoral
19 program from an officially recognized Specialist or Doctoral degree granting agency. The approved
20 course of study to be followed, outlining the plan for completing either degree program, must be
21 submitted with the request for leave.
22

23 **ELIGIBILITY:** Any full-time teacher with a minimum of seven (7) continuous and active years in the
24 Evansville Vanderburgh School Corporation at the date of application may be eligible to apply for a
25 sabbatical leave. The continuous years of service must immediately precede the sabbatical leave.
26 Substitute contracts are not recognized in computing years of continuous service.
27

28 **LIMITATIONS:** A sabbatical leave may be granted for not more than one (1) academic year. The
29 maximum number of leaves per academic year granted to teachers shall not exceed one percent (1.0%)

34 thirty (30) calendar days following the death.
35

36 In the case of death of a grandparent of spouse, the teacher's uncle, aunt, first cousin, niece, nephew,

25 Agreement. These days may be taken in half-day (½) increments. Association/Legislative Lobbying
26 Leave unused in any given academic year can be banked up to one hundred (100) days. Once the
27 academic year ends, any days above one hundred (100) days will be placed in the Sick Leave Bank.

29 Leave. The Association president will notify the Superintendent/Office of Human Resources prior to
30 any of its designated members utilizing Association/Legislative Lobbying Leave. For days when ten
31 (10) or more teachers would be on Association/Legislative Lobbying Leave, the Association president
32 will notify the Superintendent/Office of Human Resources no less than fourteen (14) days prior to the
33 leave. A substitute teacher, if one is required, must be scheduled for a teacher granted
34 Association/Legislative Lobbying Leave to participate in local activities. The Association will pay the
35 costs of substitute teachers who may be required to teach in place of its members designated to take the
36 leave provided for in this paragraph. Failure to notify the Superintendent/Office of Human Resources
37 prior to using the leave will result in the Association member using Personal Business Leave or unpaid
38 leave.

39 40 **Section 13. Extended Personal Leave**

41 Teachers under regular contract who teach one-half or more of the instructional day, may be granted
42 extended personal leave for a period of up to one (1) academic year. Such leave will be requested on
43 the Extended Personal Leave Request Form in the same manner as any other leave. Any extended
44 personal leave will be without pay or EVSC contribution to health insurance, vision, dental, LTD, life
45 insurance, or fringe benefit of any kind. However, a teacher who has been granted extended personal
46 leave may continue to participate in the group health insurance and life insurance made available by
47 the Board, as well as other forms of insurance in which the teacher is participating at the time the leave

1 is granted, if the teacher pays the full premium during the extended personal leave period according to
2 the schedule provided by the Office of Business Affairs. If a teacher takes extended personal leave, the
3 affected teacher will not be eligible to apply for additional extended personal leave for a period of
4 seven (7) academic years.

5
6 To be eligible for consideration of leave under the provisions of this paragraph, a teacher must submit
7 a request for leave prior to March 1 preceding the academic year in which the leave is to be effective;
8 provided, however, if circumstances develop which result in an unforeseen situation, the
9 Superintendent, at his discretion, may waive the March 1 notification date.

10
11 Upon return of a teacher from the leave provided for in this section to employment with the Board, the
12 Board will:

- 13 A. Place the teacher in the same school, teaching position or other assignment(s) occupied or
14 performed by said teacher prior to taking this leave of absence, provided the building principals
15 choose to hold the teaching position during the leave of absence.

31 choose to hold the teaching position during the leave of absence.
- 32 B. Declare the teacher excess upon their return and place them according to the excess teacher
33 procedures outlined in the administrative guidelines, provided the building principals choose
34 not to hold the teaching position during the leave of absence.

35 36 **Section 15. Professional Development Leave**

37 Any regular, full-time teacher selected by the Board to provide professional development, peer
38 coaching, training, etc. to employees (in place of his/her regular teaching assignment) will be allowed
39 by the Board to return to his/her original position. This leave is limited to up to the length of the
40 implementation timeline as described in the original grant.

41
42 In order to maintain the right to return to his/her original teaching position the teacher must return to
43 the classroom for a time equal to the length of the leave. A teacher who holds back-to-back (without
44 returning to the classroom) professional development leaves, forfeits his/her right to return to his/her
45 original position.

1 **Section 16. Parental Leave**

2 Effective upon the ratification of this Agreement, a teacher who has been employed by EVSC for at
3 least twelve (12) months or has worked at least 1,250 hours in the preceding twelve (12) months shall

12 time on a Regular Teacher's Contract for the purpose of adopting a child. For a teacher adopting a
13 preschool child, either the mother or the father will be allowed to use up to twenty (20) sick leave days
14 within the year of adoption for the nurturing of the new family member.

15
16 Upon return of a teacher from the leave provided for in this section to employment with the Board, the
17 Board will:

- 18 A. Place the teacher in the same school, teaching position or other assignment(s) occupied or
19 performed by said teacher prior to taking this leave of absence, provided the building principals
20 choose to hold the teaching position during the leave of absence.
- 21 B. Declare the teacher excess upon their return and place them according to the excess teacher
22 procedures outlined in the administrative guidelines, provided the building principals choose
23 not to hold the teaching position during the leave of absence.

24
25 **Section 18. Anticipated Temporary Disability Leave**

26 Where a temporary illness or injury can reasonably be anticipated because, but not limited to,
27 scheduled surgery, pregnancy or hospitalization for diagnostic purposes, or any other illness or
28 quarantine where the teacher's attending physician establishes a specific period of time such teacher
29 will be unable to work, the following will apply:

- 30 A. The maximum allowed medical leave is one hundred eighty-three (183) work days in any
31 academic year. If the employee is eligible for FMLA, both FMLA and ATDL leave will run
32 concurrently.
- 33 B. The teacher will report the Anticipated Temporary Disability to the building administrator or
34 immediate supervisor; and, at that time, will project the anticipated period of time when he/she
35 will be unable to work.
- 36 C. If the teacher does not desire to use paid sick leave for the Anticipated Temporary Disability,
37 the teacher may request a leave of absence with loss of pay up to one (1) year.
- 38 D. If the teacher desires to use paid sick leave for the Anticipated Temporary Disability, the
39 teacher will remain on the job until such time that the attending physician establishes
40 conclusively that the teacher is unable to work. At the time the teacher is declared unable to
41 work by the attending physician, the teacher is eligible to use available paid sick leave in
42 accordance with the established policy applicable to such leave. After available paid sick leave
43 has been used, the teacher may request the use of Sick Leave Bank, in accordance with
44 established policy, to remain in a paid status. If the Sick Leave Bank request is denied, the
45 employee would continue on their leave in an unpaid status until they were returned to work by
46 their physician or they had reached the one hundred eighty-three (183) day maximum,
47 whichever comes first. If they reach the one hundred eighty-three (183) day maximum for

1 medical leave, they would be asked to return to work, resign, or, if applicable, retire. If the
2 Anticipated Temporary Disability, as substantiated by the attending physician, is due to
3 pregnancy, said teacher may request a leave of absence without compensation up to one (1)
4 year any time between the date of commencement of the pregnancy and the date of delivery,
5 provided she notifies the Office of Human Resources at least thirty (30) days prior to the date
6 on which she desires to start her leave

7 E. If requested by the principal, the teacher requesting a leave of absence because of an
8 Anticipated Temporary Disability who continues to perform duties assigned by the Board will
9 submit a monthly statement signed by such teacher's attending physician verifying such
10 teacher's ability to continue to satisfactorily perform the duties assigned by the Board.

11 F. In requesting a leave due to temporary disability, the teacher will inform the Office of Human
12 Resources of the desired beginning and ending dates of the projected leave. Unless unusual
13 circumstances prevail, the beginning date will coincide with the beginning date of a semester or
14 grading period and the ending date will be after such teacher has given five (5) school days'
15 notice (in writing) that the teacher is available for work. If at any time prior to the date the
16 leave of absence is to start, the Board determines that the teacher's condition affects his/her
17 work, causes incapacitation to the teacher, or causes the teacher to be off work, the Board may
18 start the leave of absence at an earlier date.

19 G. If the temporary disability is emergency in nature, the teacher will immediately inform his/her
20 building principal or immediate supervisor and make proper arrangements for his/her absence
21 as per established policy. Accumulated Sick Leave days and, where applicable, Sick Leave
22 Bank days will apply to any leave taken under the provisions as defined in Article IV, Section
23 18, qualification(s) and/or fitness of said teacher(s) to return to employment and perform
24 normal assigned duties.

46 percentage of their salary by the state of Indiana, minus worker's compensation benefits, for the first
47 fifteen (15) days absent as a result of on-the-job injuries as determined by the Department of Labor

3 determined by the Department of Labor Industrial Board extends beyond fifteen (15) days, the EVSC
4 will provide full salary to the teacher for those days in excess of fifteen (15), and shall not be charged

ARTICLE VIII GRIEVANCE PROCEDURE

Section 1. Grievance Procedure

A grievance means, and shall be limited to, an alleged violation or misapplication of a specific provision of this Collective Bargaining Agreement, and such grievance shall be settled and determined through the following procedure:

AN INFORMAL GRIEVANCE: Within seven (7) teacher attendance days of the time the grievant knew or should have known of the act or condition upon which it was based, the grievant must present the grievance to the grievant's principal or the principal's designee by meeting individually and privately, in an informal manner during nonteaching hours. If requested by the grievant, an Association building representative may be present at this informal meeting, in which case the principal may have a person of his/her choice present. Failure to so meet and discuss the alleged grievance shall prevent the grievant from filing said alleged grievance at any formal grievance level(s). Within seven (7) teacher attendance days after presentation of the grievance, the principal or the principal's designee shall give an answer verbally to the grievant.

FORMAL GRIEVANCE - LEVEL 1: Within five (5) teacher attendance days of the verbal answer, if the grievance is not resolved, it must be filed by the grievant or the Association with the principal in writing, signed by the grievant, on the appropriate grievance form. This written grievance shall: Name the teacher(s) involved; state the facts giving rise to the grievance; state the date such facts arose; identify by reference the specific paragraph(s) of this Agreement alleged to be violated; and state the specific relief requested. Within seven (7) teacher attendance days after receiving the written grievance, the principal shall give an answer in writing, using the agreed to grievance form.

FORMAL GRIEVANCE - LEVEL 2: In the event that the grievance is not resolved at Level One (1), or if no written decision has been rendered within the time provided, the grievance may be moved to Level Two (2), provided it is filed with the chief of staff within either ten (10) teacher attendance days of receipt of the written answer at Level One (1) or the date on which the answer should have been received. The grievance shall include a copy of all materials and/or evidence previously submitted. The grievant shall submit the written grievance, signed by the grievant, to the chief of staff. The grievant may request a meeting with the chief of staff prior to the issuing of a written decision. The written decision of the chief of staff will be rendered within fifteen (15) teacher attendance days of receipt of such written grievance. The chief of staff or designee may investigate the grievance, and time up to an additional ten (10) teacher attendance days shall be automatically allowed if the chief of staff determines further investigation is necessary. If, following discussion with the superintendent of schools or his/her designee, the Association is of the opinion that a grievable situation exists which affects a group or class of teachers or involves teachers in more than one building, the Association may submit such grievance in writing to the chief of staff directly and the processing of such grievance shall be commenced at step two (2) of the formal grievance procedure.

In any grievance involving back pay, such grievance shall be filed in writing within seven (7) teacher attendance days from the time the alleged violation occurred. If the grievance involves payment of wages, then it must be filed within seven (7) teacher attendance days of any teacher's receipt of the pay check containing the basis for such grievance. All claims for back pay shall be limited to the amount of

1 wages that the teacher would have otherwise earned, less any unemployment or compensation from
2 any other source that such teacher may have received during the period of back pay. No decision in
3 any one case shall require a retroactive wage adjustment in any other case.
4

5 Failure at any level of the Grievance Procedure to render the decision on a grievance within the
6 specified time limit shall permit the grievant to proceed to the next step, unless said time limit to be
7 extended by mutual consent of the parties. However, a grievance must be moved by the grievant to the
8 next level within the specified time limit for that level or said grievance shall be deemed resolved on the
9 basis of the answer at the previous step. In the event a grievance is filed after May 15 of any year, the
10 Board shall cooperate in processing such grievance prior to the beginning of the next academic year.
11

12 **FORMAL GRIEVANCE – LEVEL 3:** If the grievance is not satisfactorily settled in Level Two (2),
13 the aggrieved employee may submit a written appeal to the Superintendent or designee within five (5)
14 workdays after the decision in Step 2 is rendered. Upon receipt of the appeal, a conference will be
15 scheduled with the aggrieved employee; the one (1) Employee representative; the board of school
16 trustees and the Superintendent and/or designee(s). Following the conference, the Superintendent or
17 designee will render a written decision on behalf of the board.
